FYZICAL®
Therapy & Balance Centers

Cancellation & No-Show Policy

We strive to provide each patient with the highest quality of care while attempting to accommodate your schedule for your convenience. Therefore, we provide reserved time slots for each patient with a specific therapist in order to minimize your waiting and assure continuity of your treatment. Your consistent attendance of the planned treatment regimen is paramount to your full recovery. We believe that this policy is necessary for the benefit of all our patients, so that we may continue to provide high quality treatment and service to everyone. All of us at FYZICAL appreciates your adherence and cooperation with this policy. We are here to help you attain all of your goals and optimize your return to all of your highly anticipated activities.

What Is considered a cancellation? An Appointment that Is cancelled less than 24 hours from the appointment time is considered a cancelled appointment. If you are unable to make your appointment, please provide more than a 24-hour notice so that we may offer your appointment time to another patient in need.

What Is considered a No Show? When a patient does not show for a scheduled appointment.

Will I be charged a fee If I cancel less than 24 hours or If I no show for my appointment? **Yes! The fee is $50 for the first cancel/no show, $75 for second/third cancel/no show.** The fee Is not billable to Insurances. The fee will be due on or before the next appointment. To avoid the fee, see If an earlier or later appointment time is available that day or give more than a 24 hours' notice.

Are there exceptions? Yes! We understand unforeseen things do happen and we most definitely do not want patients coming to an appointment If they are Ill or feel unsafe to drive. A fee will not be charged for certain circumstances, but the occurrence will count towards your cancellation or no-show count.

What happens If I continue to cancel or no show for my appointments? **If you cancel your appointment or no show 3 times in a 30-day span, we will place you on a "Same Day Scheduling" option.** At that point you will need to call the day you are available to attend therapy to see if we have an opening. No appointments will be made days in advance.

What if I'm going to be late for my appointment? If you are more than 10 minutes late, we may need to modify your appointment time (if we are able to do so) or cancel your appointment in which a fee of $50 will be charged.

By signing below, I agree to adhere to the above policy and fully commit to my plan of care so that I can reach my goals!
